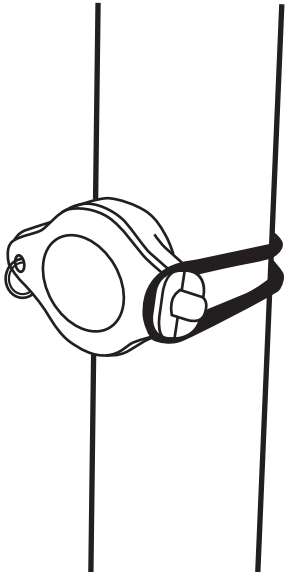
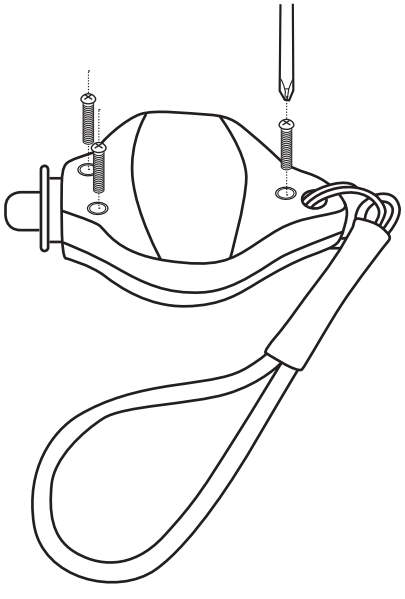
User's Guide

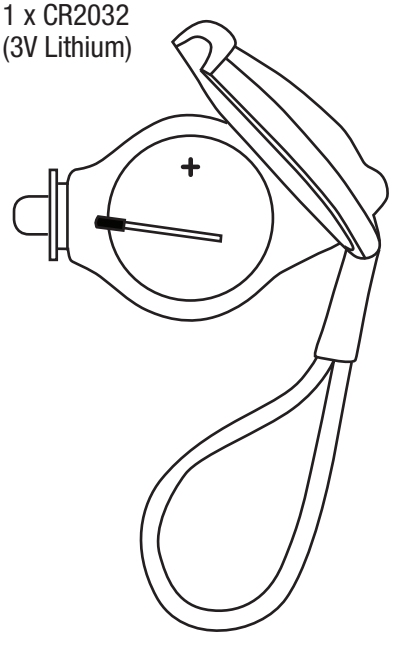
BRACKET INSTALLATION



BATTERY REPLACEMENT



Battery
1 x CR2032
(3V Lithium)



SAFETY NOTES

1. TORCH Tail Bright Nano is water-resistant. Although light body is water-resistant (under normal weather conditions of rain, etc.) never intentionally submerge it under water.
2. If the light body or parts become dirty or have been exposed to any containments or dirt, gently clean with soft towel using mild soap and water only. Never use harsh chemicals to clean the lighting system as damage to the housing and lens will occur.
3. Safely and properly dispose of the old batteries according to your local regulations.
4. Never place this lighting system within a child's reach.
5. For ultimate safety, the Tail Bright Nano should be used in conjunction with a reflectors, and possible additional front lighting deemed necessary.
6. Always wear an approved bicycle helmet, when riding.
7. Riding a bicycle at night is dangerous and could result in injury or possible death.
